## Lana Del Rey, Lucky Ones

Let's get out of this town, baby we're on fire Everyone around here wants to be going down, down If you stick with me, I can take you higher, and higher It feels like all of our friends are lost Nobody's found, found

I got so scared, I thought no one could save me You came along scooped me up like a baby

Every now and then, the stars align Boy and girl meet by the great design Could it be that you and me are the lucky ones?

Everybody told me love was blind Then I saw your face and you blew my mind Finally, you and me are the lucky ones this time

Bugging into my car, got a bad desire You know that we'll never leave if we don't get out now, now, now You're a crazy con and you're a crazy liar But baby, nobody can compare to the way you get down, down, down

I tried so hard to act nice like a lady

You taught me that it was good to be crazy

Every now and then, the stars align Boy and girl meet by the great design Could it be that you and me are the lucky ones?

Everybody told me love was blind Then I saw your face and you blew my mind Finally, you and me are the lucky ones this time

Feels like, feels like, you know, it feels like Falling in love for the first time Feels like, you know, it feels like Falling in love

Every now and then, the stars align Boy and girl meet by the great design Could it be that you and me are the lucky ones

Everybody told me love was blind Then I saw your face and you blew my mind Finally, you and me are the lucky ones this time
