

Lana Del Rey, Mariners Apartment Complex

you took my sadness out of context
Mariners Apartment Complex
i ain't no candle in the wind

i am the bolt, the lightening, the thunder
kind of girl who's gonna make you wonder
who you are and who you've been?

and who I've been is with you on this beaches
your venice bitch, you die-hard, your weakness
maybe I could save you from your sins

so, kiss the sky and whisper to Jesus
my, my, my you found this , you need this
take a deep breath baby, let me in

you lose your way
just take my hand
you're lost at sea
then I'll command your boat to me again
don't look too far
right where you are
that's where I am

I'm your man
I'm your man

they mistook my kindness for weakness
I fucked up, I know that But Jesus
can't girl just do the best she can

catch a wave and take in the sweetness
think about it, the darkness, the deepness
all the thing that make me who I am

am who I am is bit time believer
the people can change
but you don't have to leave her
when everyone's talking
you can make a stand

cause even in the dark I feel your resistance
you can see can see my heart burning in the distance
baby, baby. baby I'm your man

you lose your way
just take my hand
you're lost at sea
then I'll command your boat to me again
don't look too far
right where you are
that's where I am

I'm your man
I'm your man
