

Lana Del Rey, Radio

not even they can stop me now
boy i'll be flying overhead
their heavy words can't bring me down
boy i've been raised from the dead

i dont even notice how hard life was
i don't even think about it now because
i've finally found you
now sing it to me

now my life is sweet like cinnamon
like a fucking dream i'm living in
baby love me cause i'm playing on the radio
(how do you like me now?)

lick me up and take me like vitamin
'cause my body's sweet like sugar venom oh yeah
baby love me cause i'm playing on the radio
(how do you like me now?)

'merican dreams came true somehow
i swore i'd chase until i was dead
i heard the streets were paved with gold
that's what my father said

i don't even notice what life was like
now i'm in la and it's paradise
i finally found you
now sing it to me

now my life is sweet like cinnamon
like a fucking dream i'm living in
baby love me cause i'm playing on the radio
(how do you like me now?)

lick me up and take me like a vitamin

'cause my body's sweet like sugar venom and oh yeah
baby love me cause i'm playing on the radio
(how do you like me now?)

on the radio, on the radio
sweet like cinnamon
like a fucking dream i'm living in
baby love me cause i'm playing on the radio
(how do you like me now?)
on the radio, on the radio
sweet like cinnamon
like a fucking dream i'm living in
i finally found you
now sing it to me

now my life is sweet like cinnamon
like a fucking dream i'm living in
baby love me cause i'm playing on the radio
(how do you like me now?)

lick me up and take me like vitamin
'cause my body's sweet like sugar venom and oh yeah
baby love me cause i'm playing on the radio
(how do you like me now?)

now sing it to me

now my life is sweet like cinnamon
like a fucking dream i'm living in
baby love me cause i'm playing on the radio
(how do you like me now?)

lick me up and take me like vitamin
'cause my body's sweet like sugar venom and oh yeah
baby love me cause i'm playing on the radio
(how do you like me now?)
