

Lange, Songless

I don't talk
I don't think
I don't walk
I don't leave
But I don't stay
Don't know
It's wanna make the same mistake
I can't stop
I can't go
I can't relax
Can't be alone
And when I listen to the music
I didn't know I just confuse it
I get turned around
And I'm runnin'
And I'm runnin'
I got sound of the words in my head
But they got no song (and I'm runnin')
But I'm tryin to face getting stucked
But I get so close (and I'm runnin')
And I'm out of time to let you know

Songless

I don't talk
I don't think
I don't walk
I don't leave
But I don't stay
Don't know
It's wanna make the same mistake
I can't stop
I can't go
I can't relax
Can't be alone
And when I listen to the music
I didn't know I just confuse it
I get turned around
And I'm runnin'
And I'm runnin'
I got sound of the words in my head
But they got no song
But I'm tryin to face getting stucked
But I get so close
And I'm out of time to let you know

Songless

I don't talk
I don't think
I don't walk
I don't leave
But I don't stay
I can't stop
I can't go
I can't relax
Can't be alone
And when I listen to the music
I didn't know I just confuse it
I get turned around
And I'm runnin'
And I'm runnin'
And I'm runnin'
And I'm runnin'
