

# Lani Hall, How Can I Tell You?

How can I tell you that I love you, I love you  
But I cant think of right words to say  
I long to tell you that Im always thinking of you  
Im always thinking of you, but my words  
Just blow away, just blow away

It always ends up to one thing, honey  
And I cant think of right words to say  
Wherever I am girl, Im always walking with you  
Im always walking with you, but I look and youre not there  
Whoever Im with, Im always, always talking to you  
Im always talking to you, and Im sad that  
You cant hear, sad that you cant hear

It always ends up to one thing, honey,  
When I look and youre not there  
I need to know you, need to feel my arms around you  
Feel my arms around you, like a sea around a shore  
And -- each night and day I pray, in hope  
That I might find you, in hope that I might  
Find you, because hearts can do no more

It always ends up to one thing honey  
Still I kneel upon the floor  
How can I tell you that I love you, I love you  
But I cant think of right words to say  
I long to tell you that Im always thinking of you  
Im always thinking of you....  
It always ends up to one thing honey  
And I cant think of right words to say
