

Lani Hall, How Can I Tell You?

How can I tell you that I love you, I love you
But I cant think of right words to say
I long to tell you that Im always thinking of you
Im always thinking of you, but my words
Just blow away, just blow away

It always ends up to one thing, honey
And I cant think of right words to say
Wherever I am girl, Im always walking with you
Im always walking with you, but I look and youre not there
Whoever Im with, Im always, always talking to you
Im always talking to you, and Im sad that
You cant hear, sad that you cant hear

It always ends up to one thing, honey,
When I look and youre not there
I need to know you, need to feel my arms around you
Feel my arms around you, like a sea around a shore
And -- each night and day I pray, in hope
That I might find you, in hope that I might
Find you, because hearts can do no more

It always ends up to one thing honey
Still I kneel upon the floor
How can I tell you that I love you, I love you
But I cant think of right words to say
I long to tell you that Im always thinking of you
Im always thinking of you....
It always ends up to one thing honey
And I cant think of right words to say
