

Lani Hall, I Don

Here I am
Alone and I don't understand
Exactly how it all began
The dream just walked away
I'm holding on
When all but the passion's gone

And from the start
Maybe I was tryin' too hard
It's crazy 'cause it's breakin' my heart
Things can fall apart but I know
That I don't want you to go

And here was time
When they ignore the cause inside
But they learned from what's left behind
And fight for something else
And so it goes
That we have both learned how to grow

And from the start
Maybe we were tryin' too hard
It's crazy 'cause it's breakin' our hearts
Things can fall apart, but I know
That I don't want you to go

Oh, it's just too much
Takin' on the whole world all by myself
There's not enough
Unless I start trustin' somebody else
Somebody else and love again

And from the start
Maybe we were tryin' too hard
It's crazy 'cause it's breakin' our hearts
Things can fall apart, but I know
That I don't want you to go, no

Maybe we were tryin' too hard
It's crazy 'cause it's breakin' our hearts
Things can fall apart, but I know
That I don't want you to go

Oooh no, I don't want you to go
Say that you won't go
