

Lara Fabian, For Always

I close my eyes...
And there in the shadows I see your light
You come to me out of my dreams across the night
You take my hand...
Though you may be so many stars away
I know that our spirits, our souls, are one
We've circled the moon and we've touched the sun
So here...we'll stay...

For always
Forever
Beyond here and onto eternity
For always...forever...
For us there's no time and no space
No barrier love won't erase
Wherever you go I still know in my heart you'll be here with me

From this day on...
I'm certain that I'll never be alone
I know what my heart must have always known...
That love has a power that's all its own

And for always...forever...
Now we can fly
And for always...and always...
We will go on beyond goodbye

For always...forever...
Beyond here and onto eternity
For always...and ever...
You'll be apart of me

And for always...forever...
A thousand tomorrow's may cross the sky
And for always...and always...
We will go on beyond goodbye
