

Lara Fabian, Unbreakable

Unbreakable

Outside
This room
No one ever sees the whole me
Only stronger side
But inside
This heart
There is much to know
About me
Words can not describe

If you look
If you really read between the lines
You will see
This is just a disguise
A disguise

Taking a look beyond these eyes
It'll take you right around my heart
I feel
You should know
That I'm not unbreakable
It's hard for me to show the other side
Telling you but it isn't lie You
You know
That I'm not unbreakable

I'm scared and frightened
Who will give this soul asylum
Protect me beyond these walls
Can't stand this breaking and falling
All of these mistakes I'm making
Finally crystallise

Now I look
I really read between the lines
Now I see
I don't need to disguise
No disguise

Taking a look beyond these eyes
It'll take you right around my heart
I feel
You should know
That I'm not unbreakable
It's hard for me to show the other side
Telling you that it isn't lie You
Do you know
That I'm not unbreakable

Now
There's no where else to hide
Nothing more to fight
Being alive

That I'm not unbreakable
It's hard for me to show the other side
I'm telling that it isn't lie
Read me you'll know
That I'm not unbreakable
You read me you'll know
That I'm not unbreakable
You read me you'll know

That I'm not unbreakable
