

Larnelle Harris, Unbelievable Love

I look at the stars and I'm amazed at what I see
Feel the sun on my face and
I'm overwhelmed by the reality that
The Creator is my Savior and Friend
He gives His love over and over again

CHORUS

Unbelievable, unbelievable love
It's so hard to understand
Inconceivable that the Lord of it all
Can take me just as I am
He knew the price that He'd have to pay
Yet love brought Him to me anyway
Unbelievable, unbelievable love

If you saw my heart
You'd understand this change in me
It was just yesterday
I was afraid that I would never be free
But His lovin' arms reached out and brought me so near - Oh
Breaking the chains of all my doubts and my fears

REPEAT CHORUS

Oh, it's a mystery
That you cannot touch
And you cannot see, but it's real

REPEAT CHORUS TWICE

TAG

Unbelievable, unbelievable love
Made a change in me
Love that set me free, unbelievable
