

# Larry Hall, Sandy

Sandy, Sandy

Took every sweet thing like sugar and spice  
Ice cream and candy, everything nice  
They put it together, they gave it a name  
Sandy, Sandy, I'm a fool for Sandy

Her eyes are like heaven, her lips are devine  
Young love is tender, gentle and kind  
And everywhere I go, there you will find  
Sandy, Sandy, I'm a fool for Sandy

Took every sweet thing like sugar and spice  
Ice cream and candy, everything nice  
They put it together, they gave it a name  
Oh Sandy, Sandy, I'm a fool for Sandy  
Sandy, Sandy, Sandy  
Sandy, Sandy
