

Larue, Fallen For You

As though the world were wearing black
And You were wearing white
You love for me shines through Your eyes
Like a brilliant fire
And it's clear to me
You're the only one I see

{chorus}:
I have fallen for You
And You have fallen for me

My heart longs to be near to You
So I can be made whole
And in Your arms alone I feel
As precious as a rose
No matter how far or close I am
You will always remain
You have my heart
You are my soul
The more I'm with You the more I know
