

Larue, Jaded

Something's different between
You and me
And I'm not sure if it's
Good or bad
And all I know is that
From what I've seen
Maybe it's I who has changed
The feelings I'd had rearranged
A space that's between us becoming a hole
As I'm growing older

CHORUS

It's almost faded
Passions jaded
Passions jaded
By my heart

Something's changing between
You and me
A bond that's melting so
Painlessly
A weight has been lifted from
You and I
Maybe it's better this way
I can't help but feeling okay
This sweetly is forming and molding my soul
As I'm growing older

CHORUS

If this is true
God set us free
Perhaps you and I are not meant to be
And if in the end
We drift apart
I want you to know God used you right from the start

Maybe it's better this way
I can't help but feeling okay
This sweetly is forming and molding my soul
As I'm growing older

CHORUS
