

# Laura Branigan, Tiamo

Ti amo, God how I love you so  
My heart just won't let go  
Day after day I'm still holding on  
Even though you're gone

Ti amo, wasn't I good to you?  
I did all that I could do  
To make you want to be here with me  
I thought you loved me

I can't believe you could just turn and leave  
You did it so easily  
You pulled my world out from under me  
Look what you've done to me

How could you end it this way  
After the love that we made?  
God how I wished you had stayed  
Can't you see that I just want you back

Ti amo, I never had a clue that I was losin' you  
You never once let me know that you were lettin' me go  
Oh, I guess it was there in your eyes  
Guess it was there in your sighs  
Guess it was there in your lies  
I was blind then, couldn't face the end

Ti amo, thought we'd go on and on  
Thought we had something strong  
You pulled the world out from under me  
Look what you've done to me

How could you end it this way  
After the love that we made?  
God how I wish you had stayed  
Can't you see that I just want you back?
