

# Laura Marano, You Don't See Me

I'm the girl in the corner of the room  
The one you never notice  
Getting lost among the stars in the sky  
Like a picture out of focus  
I'm the sun in your eyes  
Yet, you don't see me  
I wear no disguise  
But you don't see me  
I'm a total surprise  
And you don't see me  
I'm so agonized  
That you don't see me  
You don't see me

Yeah you don't see me  
Yeah you don't see me  
Yeah you don't see me

Why, why, why?  
Don't you open your eyes  
To see me woah woah

I'm so hoping  
That you see me  
Should I give you a sign?  
Or just hope that  
One day you realize  
That I'm the sun in your eyes
