

# Laura Marling, Crawled Out Of The Sea

Oh you crawled out of the sea,  
Straight into my arms, straight into my arms.

Oh you crawled out of the sea,  
Straight into my arms, straight into my arms.

Oh you crawled out of the sea,  
Straight into my arms, straight into my arms.

Oh you crawled out of the sea,  
Straight into my arms, straight into my arms.
