Laura Pausini, All At Once

All at once, I finally took a moment and I'm realizing that Your not coming back And it finally hit me All at once

All at once I started counting teardrops and at least a million fell My eyes began to swell And all my dreams were shattered All at once

Ever since I met you You're the only love I've known And I can't forget you So I must face it all alone

Chorus:
All at once
I'm drifting on a lonely sea
Wishing you'd come back to me
And that's all that matters now
All at once
I'm drifting on a lonely sea
Holding on to memories
And it hurts me more than you know
So much more than it shows
All at once

All at once, I looked around and found that you were with another love In someone else's arms And all my dreams were shattered All at once

All at once The smile that used to greet me brightened someone else's day She took your smile away And left me with just memories All at once

Ever since I met you You're the only love I've known And I can't forget you So I must face it all alone

Chorus:
All at once
I'm drifting on a lonely sea
Wishing you'd come back to me
And that's all that matters now
All at once
I'm drifting on a lonely sea
Holding on to memories
And it hurts me more than you know
So much more than it shows
All at once
