

# Lauren Jauregui, Trust Issues

When I was young my mama told me, "Loving can be lonely  
Not everyone's like you, ain't got the heart that you do"  
But I had to learn the hard way, lessons can be costly  
And I spent more that I had, all of that didn't last

I'm sorry if you think I'm being selfish  
I swear it's not true  
I'm guarded and I know it  
Oh, darlin', don't mean to be cruel

I've got trust issues and I know we all do  
But I think I'm too wounded, darlin', and that ain't fair to you  
Tired of being used and maybe that ain't you  
But I can't take a chance when I'm damaged

It's true, I've got trust issues  
Oh, yeah  
Mmm

See, I've been trying to understand it, seems I got a habit  
Of pushing others away, thinkin' no one would stay  
So I gotta leave today, I don't wanna make the same mistakes  
Not with you, no, not with you

I'm sorry if you think I'm being selfish  
Can't help it, I'm done  
Fightin', feelin' helpless  
Oh, darlin', I knew this would come

I've got trust issues and I know we all do  
But I think I'm too wounded, darlin', and that ain't fair to you  
I'm tired of being used and maybe that ain't you  
But I can't take the chance when I'm damaged

It's true, I've got trust issues  
Oh yeah

Tell me you're mine and I try to believe you  
Tell you I'm fine, but I know that you see through  
All of these walls I put up, I fucked this up  
Yeah, you should just leave before I do
