

# Laurent Voulzy, All I Have To Do Is Dream

Drea-ea-ea-m,dream,dream,dream,drea-ea-ea-m,dream,dream  
When I want u in my arms when I want u and all your charms whenever I want u  
All I have to do is drea-ea-ea-m,dream,dream,dream  
When I feel blue in the night and I need u to hold me tight whenever I want u  
All I have to do is drea-ea-ea-m  
I can make u mine taste your lip some wine anytime night or day  
Only trouble is gee whiz(?)  
Im dreamin my life away  
I need u so that I could die I love u so  
And that is why whenever I want u all I have to do is  
Drea-ea-ea-m,dream,dream,dream,drea-ea-ea-m,dream,dream  
I can make u mine taste your lip some wine anytime night or day  
Only trouble is gee whiz(?)  
Im dreamin my life away
