

Lauryn Hill, Peace Of Mind

"I gotta find peace of mind... I gotta find peace of mind
He says it's impossible... But I know it's possible
He says it's impossible... But I know it's possible
He says there's no me without him... Please help me forget about him
He takes all my energy... Trapped in my memory
Constantly holding me... Constantly holding me
I need to tell you all... All the pain he's caused mmmmm
I need to tell you I'm... I'm undone because mmmmm
He says it's impossible... But I know it's possible
He says it's impossible without him... But I know it's possible
To finally be in love... And know the real meaning of
A lasting relationship... Not based on ownership
I trust every part of u... Cause all that you say you do
You love me despite myself
Sometimes I... I fight myself
I just can't believe that you... Would have anything to do
With someone so insecure... Someone so immature
Ohh you inspire me, to be the higher me
You make my desire pure... You make my desire pure
Just tell me what to say... I can't find the words to say
Please don't be mad with me... I have no identity
All that I've known is gone... All I was building on
I wanna walk wit you, how do I talk to you?
Touch my mouth with your hands... Touch my mouth with your hands
Oh I wanna understand the meaning of your embrace
I know now I have to face... The temptations of my past
Please don't let me disgrace... will my devotion last
Now that I know the truth... Now that it's no excuse
Keeping me from your love... What was I thinking of
Holding me from your love... What was I thinking of
You are my peace of mind... That old me is left behind
You are my peace of mind... That old me is left behind
He says it's impossible... but I know it's possible
He says it's improbable... but I know it's tangible
He says it's not grabbable... but I know it's haveable
Cause anything's possible... Cause anything is possible
Please come free my mind... Please come feed my mind
Can you see my mind ohh... Won't you come free my mind
Oh I know it's possible
Anything, anything, anything, anything, anything.... yeah
Anything, anything, anything, anything, yeah
Anything, anything, anything, anything, anything.... yeah
Oh, free... free, free, free your mind
Free... free your mind
Free.. free your mind
Free free free free your mind
Oh, it's so possible... Oh, it's so possible
I'm telling you it's possible... I'm telling you it's possible
Free, free, free..... free, get free now (repeat)
You are my peace of mind... That old me is left behind
You are my peace of mind... Your my peace of mind
He's my peace of mind... He's my peace of mind
He's my peace of mind... What a joy it is to be alive
To get another chance, yeah... Every day's another chance
To get it right this time... everyday's another chance
Oh what a merciful... merciful, merciful God
Oh what a wonderful... wonderful wonderful God (continue to end)
What a merciful... merciful, merciful, merciful God
What a wonderful, wonderful, wonderful, merciful
Merciful, merciful, wonderful
Merciful, wonderful....."
