Lauryn Hill, Too Good To Be True

uh uh uh refugee camp, conspireacy theory, what what, yo

You're just too good to be true can't take my eyes off of you you'd be like heaven to touch I wanna hold you so much at long last love has arrived and I thank God I'm alive you're just too good to be true can't take my eyes off of you

Pardon the way that I stare there's nothing else to compare the sight of you leaves me weak there are no words left to speak but if you feel like I feel please let me know that it's real you're just too good to be true can't take my eyes off of you

chorus:

I need you baby and if it's quite alright
I need you baby to warm the lonely nights
I love you baby, trust in me when I say:ok(its okaay)
Oh pretty baby, don't let me down, I pray
oh pretty baby, now that I've found you, stay
and let me love you, o baby, let me love you, o baby

You're just too good to be true can't take my eyes off of you you'd be like heaven to touch I wanna hold you so much at long last love has arrived and I thank God I'm alive you're just too good to be true can't take my eyes off of you

chorus:

I need you baby and if it's quite alright
I need you baby to warm the lonely nights
I love you baby, trust in me when I say its ok
Oh pretty baby, don't let me down, I pray
oh pretty baby, now that I've found you, stay
and let me love you, o baby, let me love you, o babyy

I need you baby and if it's quite alright I love you baby, you warm the lonely nights I need you baby, trust in me when I say its ok Oh, oh pretty baby, don't let me down, I pray oh pretty baby, now that I've found you, stay and let me love you... (fades away)
