

Lauv & LANY, Mean It

small talk, no conversation
that look makes me impatient
I can't tell what you're thinning
last night we were more than fine
just tell me if you changed your mind
if you changed your mind

cause I am all, I am all in
calling, no answer
would you text me when ou feel like
when it feels right to you
but I am all, I am all in
I am falling faster
if you're looking at me whit a heart of doubt

don't kiss me right now
don't tell me that you need me
don't show up at my house
all caught up in your feelings
don't run me round and round
don't build me up just to let me down
just to let me don
don't mess whit my head
don't tell me you're falling whit your feet still on the ledge
I am all out of breath
baby, don't run me
don't run me round and round
don't kiss me, don't kiss me right now
our lips just leave it
if you don't mean it
