

# Lazy Town, Have You Ever

Have you ever skipped rope?  
(Uh uh uh uh uh uh)  
Have you never played ball?  
(Uh uh uh uh uh uh)  
Never jumped around?  
(Uh uh uh uh uh uh)  
Have you never danced at all?  
Skipping rope left to right  
(Uh uh uh uh uh uh)  
Crossing over and back  
(Uh uh uh uh uh uh)  
Hit the ball on your head  
(Uh uh uh uh uh uh)  
Knees, chest and feet  
You've gotta listen to me  
Can't you see that  
Life is full of games  
And they make you feel so happy  
You know they make you wanna fly  
So play games all your life  
Jumping forward and back  
(I can do that)  
Now try it reversed  
(oh no no time out!)  
Dance to the beat  
(You mean like this?)  
Clap your hands and move about  
You've gotta listen to me  
Can't you see that  
Life is full of games  
And they make you feel so happy  
You know they make you wanna fly  
So play games all your every single  
Life is full of games  
And they make you feel so happy  
You know they make you wanna fly  
So play games every single day of your life
