

# Le Maximum Kouette, Somedays

Some days I try, sometimes i don't wanna try  
Some days lazyness, sometimes crazyness  
Some days I reach the sky, sometimes I don't wanna fly  
Some days I'm a tough cooker, sometimes I'm a rude rider

I change everyday, everyday...  
I change everyday, everyday...  
I change everyday, everyday...  
I change everyday, everyday...

Some days I'm a super crap, sometimes I dig the gap  
Some days business, sometimes useless  
Some days I feel alive, sometimes I cross the red line  
Some days I smash the bubbles, sometimes I jump into troubles

I change everyday, everyday...  
I change everyday, everyday...  
I change everyday, everyday...  
I change everyday, everyday...

Happy with julian, ugly with John , sad with Angela , sexy with Tom
