

Le Tigre, Nanny Nanny Boo Boo (Arthur Baker Vs)

Nanny nanny
Nanny nanny boo boo

If you ask us how we want it
We'll say man to man
When you go to kiss our cheeks
We're gonna put out our hands because

All night
We've been talking to liars
And it's all right
Just in the style of tigers

And if you ask us what we're doing we'll say
It doesn't matter to you
All you need to know
Is we love to see the crowd move

So turn it up
It really isn't loud enough
When we say when
We know you'll think it's too much

So what
Nanny nanny
Nanny nanny, boo boo

So what
It's just a joke, man
It's just an interview

So what
Nanny nanny
Nanny nanny, boo boo

So what
You'll never get it
I guess this shit is too new
So what

Now let's synchronize our movements
'Til they're super sick
We got high hats
And loud claps in every mix

We're like boys, just ask her
Dicks done by C.P. Caster
Hey, look out, you're still in slip mode
Thanks, but now I'm in batch capture

And if you ask us why we're laughing we'll say
It doesn't matter to you
All you need to know
Is we love to see the crowd move

So turn it up
It really isn't loud enough
When we say when
We know you'll think it's too much

So what
Nanny nanny
Nanny nanny, boo boo

So what
It's just a joke, man
It's just an interview

So what
Nanny nanny
Nanny nanny, boo boo

So what
You'll never get it
I guess this shit is too new
So what

Headphones and velcro and pictures of Mars
New mics and dirt bikes and candy bars
Bowties and sneakers while making beats
Hard drives and handbooks and hotel sheets

So what
It doesn't matter to you

Nanny nanny
Nanny nanny, boo boo

So what
I do it every night
She does it in her man suit

So what
Nanny nanny
Nanny nanny, boo boo

So what
We never said it
You know we always wanted to

So what
