

Le Tigre, TKO

Want more real attention. At my expense guess you forgot to mention. You talk good, I'll eat glass. I heard you read my mind behind my back.

Outside, I'm waitin', by the car when you're hesitatin'.

Take a good look.

Take a photo.

Write about it in your tiny notebook.

Dont you know? You're out cold.

Dont you know? It's our dance-floor!

Hear it on the radio.

T.K.O.

Play it on the stereo.

T.K.O.

Watch a live video.

T.K.O.

T.K.O.

Oh, oh..

Oh, oh..

Got your money safe. Wanna be in. Everyday it just gets closer to you. Ill say my piece. And when it's over, you'll be on your knees, I.. got this soul thing on the go. Read about it at your Barnes & Noble.

Dont you know? It's our dance-floor!

Dont you know? It's our dance-floor
