

Leaf-Fat, T.W.T.

I see the pictures and the situations
With my open mouth
What is wrong with the world today
The same is with the very next day

Dark creations, complications of lunatics
The freedom is in their dirty hands

Crazy people with their minds of power
Your rebellion is sweet & sour
Tha faya is burnin' in the sky
I say we must unite !

So go a...way !
So go a...way !

So go away...

So go away and nothing will be different
You will seek for your holly ground
But you will reach the putting down
This is the world today, t.w.t

The world today, i say don't wait for another day
The world today, cos there's no other way
The world today, breathe the air as long as you can
As long as you can, as long as you can go !!!

Cos that's the way the cookie crumbles...

See each other at the end of that tunnel, baby !!!
