

Leah Andreone, Dive In

Hanging from a rope
Hanging from a swing set
I close my naked knees
Cuz I know how the word spreads
You're looking up at me
Look it's heaven in a playhouse
In a tree, play with me

Found a slide to ride
Hold my dress to my sides
I close my naked knees
Nice boys shouldn't see that
You're looking up at me
Look it's candy
Take the bait
And slide with me, play with me
Dive in, splash around, play with me, play with me

Dive in, splash around
Play with me
I'm drowning for a reason
Dive in, thrash around
Hang with me
I'm drowning for a reason

Close the bathroom door
You can't look anymore
I close my naked knees
Cuz my mama done told me
Will you go with me?
Yes, no, maybe
Play with me

Dive in, splash around, play with me, play with me

Dive in, splash around
Play with me
I'm drowning for a reason
Dive in, thrash around
Hang with me
I'm drowning for a reason
