

Leah Dizon, Ai Shiteru~ Love Story

Behind your sharp dark eyes
There's something pure, undefined
If I step to you, give into you, sukoshi zutsu
The world around me fades into a dream kaerenai
I can't escape mou hajimaru
Story atarashii Story`
First love is now beginning
tsui ni there's truth to these words that I'm singing
Honey, won't you ride with me?
All day, everyday, anyplace, anytime
issho ni~ All through the night
