

# Leah Dizon, Are You Feelin' For Me?

Can't you see that I've been waitin'?  
For you, anticipatin'  
It's not a game I'm playin'  
I've been too shy to say it  
This feelin' that I'm feelin'  
I'm ready now please listen  
If you were mine I'd never hurt you no no no  
I had to be sure  
Never felt like this before  
Love or just lust  
There's somethin' between us  
I wanna give you all of my trust  
I've always played the same part  
Left only with half a heart  
I'm ready for a new start  
Be the one to mend me  
The first to apprehend me  
I'll be yours for pretending  
Lean into me  
Wanna feel your love against me  
Pure ecstasy  
Can't say no to you "please" only  
start off slowly  
Speed it up come closer to me  
Whisper softly  
Won't you set me free, oh baby  
If you were mine I'd never hurt you no no no  
I had to be sure  
Never felt like this before  
Love or just lust  
There's somethin' between us  
I wanna give you all of my trust  
There is no other. You're who I've been waiting for  
Eternal lover, Never felt like this before  
Love or just lust  
There's something between us  
I'm ready now to give you my love
