

Leaves' Eyes, Tale Of The Sea Maid

Fantasies in my head
I drift away to all seas
Deep underneath the ocean
I heard the tale of the sea maid

All this beauty
It lights up my life
I ride the waves
To far-off seas
And I lay on the golden sand
I reflect the sun
I make you dream

I glow with the silver light
Thousand-and-one stars bright
This laborinth of life
Takes me to your home shore
