Lee Ann Womack, I'll Think Of A Reason Later

I heard he was gonna marry some girl from Denver Then my sister came over, had the Sunday paper with her There was the girl on the social page Lookin' in love and all engaged We decided she don't take a very good picture It may be my family's redneck nature Rubbin' off, bringin' out unlady-like behavior It sure ain't Christian to judge a stranger But I don't like her She may be an angel who spends all winter Bringin' the homeless blankets and dinner A regular Nobel Peace Prize winner But I really hate her I'll think of a reason later I drew horns and blacked out her tooth with a marker Childish, yes, but she made such a thin little target I couldn't be happier on my own But I've got the slightest of a jealous bone And seein' her with him tends to enlarge it It may be my family's redneck nature Rubbin' off, bringin' out unlady-like behavior It sure ain't Christian to judge a stranger But I don't like her She may be an angel who spends all winter Bringin' the homeless blankets and dinner A regular Nobel Peace Prize winner But I really hate her I'll think of a reason later Inside her head may lay all the answers For curin' diseases from baldness to cancer Salt of the earth and a real good dancer But I really hate her I'll think of a reason later [Spoken] Well, it was just one tooth Did I mention I don't particularly care for her? She makes me sick...
