

Lee Ann Womack, Let It Snow, Winter Wonderland

Oh, the weather outside is frightful
But the fire is so delightful
And since we've no place to go
Let it snow, let it snow, let it snow
It doesn't show signs of stopping
And I've brought some corn for popping
The lights are turned way down low
Let it snow, let it snow, let it snow
When we finally kiss goodnight
How I'll hate going out in the storm
But if you really hold me tight
All the way home I'll be warm
The fire is slowly dying
And my dear, we're still goodbying
But as long as you love me so
Let it snow, let it snow, let it snow
[Repeat bridge and verse 3]
Sleigh bells ring, are you listening
In the lane snow is glistening
A beautiful sight
We're happy tonight
Walking in a winter wonderland
Gone away is the bluebird
Here to stay is the new bird
He sings a love song
As we go along
Walking in a winter wonderland
In the meadow we can build a snowman
And pretend that he is Parson Brown
He'll say, "Are you married?"
We'll say, "No man"
But you can do the job
When you're in town
Later on we'll conspire
As we dream by the fire
To face unafraid
The plans that we've made
Walking in a winter wonderland
[Repeat Bridge and Verse 3]
Walking in a winter wonderland
Walking in a winter wonderland
