

# Lee Ann Womack, Now You Don't

(jess brown/david lee/tony lane)

Better take a good look before I disappear  
Because I'm just about to be your used-to-be  
You might catch a glimpse of my taillights in the dust  
And if you notice something missin', well it's me  
'cause I tried and you lied  
I cried and you stood by  
Well, here's a little magic thing I do

Now you see me, now you don't  
First you do but then you won't  
Watch me vanish right before your eyes  
You might think you see me there  
In a cafe on a street somewhere  
Yeah, that might be me but I'll be gone  
Now you see me, now you don't

If you ever get the feelin' that it feels like deja vu  
Because some stranger feels like someone that you know  
Might be the color of her lipstick or the smell of her perfume

That sends a shiver all the way down to your toes  
Don't blink 'cause it ain't yeah what you think  
It's just your heart playing tricks on you

Now you see me, now you don't  
First you do but then you won't  
Watch me vanish right before your eyes  
You might think you see me there  
In a cafe on a street somewhere  
Yeah, that might be me but I'll be gone  
Now you see me, now you don't

You might think you see me there  
In a cafe on a street somewhere  
Yeah, that might be me, but I'll be gone  
Now you see me, now you don't

Now you see me, now you don't  
Now you see me, now you don't  
Now you see me
