

# Lee Ann Womack, The Fool

You don't know me but I know who you are  
Mind if I sit down  
Do I look familiar if I don't well I should  
I'm sure you've seen me around  
I know you've probably heard my name  
Though we've not been introduced  
I'm the fool in love with the fool  
Who's still in love with you

If you've got a minute I'll buy you a drink  
I've got something to say  
It might sound crazy but last night in his sleep  
I heard him call out your name  
This ain't the first time he's done it before  
And it's hard to face the truth  
I'm the fool in love with the fool  
Who's still in love with you

I know love is a fragile thing  
And I'm trying hard to make it last  
But it ain't easy holding on to my dream  
When he's holding on to the past

Just one more thing before I go  
I'm not here to put you down  
You don't love him and that's a fact  
Girl I've seen you around  
But you hold his heart in the palm of your hand  
And it's breaking mine in two  
'Cause I'm the fool in love with the fool  
Who's still in love with you

I'm the fool in love with the fool  
Who's still in love with you
