

Lee Hyori, Hey Girl

Baby I just want you to know I don't wanna lie to you
baby I won't let you come into my heart

(Rap)

Just do it do it do it n' groove it dump me the mic then i jump to the stage
cuz I flowin' like the livin' large days to the days n' the nights when I rhyme tight
flight flash light b-boy stances all night you keep movin' with Billy Jean I had fun
we could freakin' knowin' I'm not the one she moved like the h-o-o-k-i-n style
make my brothers go wild you look good lady in the blue dress
you make me love you make me nervous and impressed
I wanna take you home cuz you make me lick
you gave me and I givin' you back deep in my heart
