

# Lee Roy Parnell, Let's Pretend

Let&#039;s pretend that you love me let&#039;s pretend this won&#039;t end  
Make believe I&#039;m your only one just tonight let&#039;s pretend

I know you don&#039;t feel like I do I&#039;m not the main thing in your life  
Is it asking all that much of you darling just this one time

Let&#039;s pretend that you love me...

[ guitar ]

You&#039;ve been my love for such a long long time  
And to you we were always just good friends  
You told me once that I&#039;d been your choice  
If it weren&#039;t for him so tonight tonight

Let&#039;s pretend that you love me...
