

Lee Ryan, Stand Up As People

All I hear is voices in the crowd,
They only whisper though they frown
People saying oh its such a shame
Still they only look to pass the blame

If we can find a way to work things out
The only way to start is to start now

When are we gonna stand up as people
Realise that as people we're all equal
We don't want no world war sequel
For the love of god think of the people
When are we gonna stand up as people
Realise that as people we're all equal
We don't want no world war sequel
For the love of god think of the people

Children always learn about what they see
So we gotta practice what we preach
Don't you know that the game of life
We refuse when we chose to fight

If we can find a way to work things out
The only way to start is to start now

When are we gonna stand up as people
Realise that as people we're all equal
We don't want no world war sequel
For the love of god think of the people
When are we gonna stand up as people
Realise that as people we're all equal
We don't want no world war sequel
For the love of god think of the people

I breath before I sleep at night
I wait to find a clear blue sky

When are we gonna stand up as people
Realise that as people we're all equal
We don't want no world war sequel
For the love of god think of the people
When are we gonna stand up as people
Realise that as people we're all equal
We don't want no world war sequel
For the love of god think of the people

When are we gonna stand up as people
Realise that as people we're all equal
We don't want no world war sequel
For the love of god think of the people
When are we gonna stand up as people
Realise that as people we're all equal
We don't want no world war sequel
For the love of god think of the people

When are we gonna stand up as people
Realise that as people we're all equal
We don't want no world war sequel
For the love of god think of the people
When are we gonna stand up as people
Realise that as people we're all equal
We don't want no world war sequel
For the love of god think of the people

When are we gonna stand up as people
Realise that as people we're all equal
We don't want no world war sequel
For the love of god think of the people
When are we gonna stand up as people
Realise that as people we're all equal
We don't want no world war sequel
For the love of god think of the people
