

# Leela James, Change Gonna Come

I was born by the river  
In a little tent  
and gorgeous like the river  
I've been runnin, ever since

It's been a long  
a long time coming  
but I, I know a change gonna come  
Ooooh yes it will

It's been to hard living,  
But I am afraid to die  
cause I don't know what's up there  
beyond the sky

It's been a long  
a long time coming  
but I, I know a change gonna come  
Ooooh yes it will

There's been times that I thought  
I wouldn't last for long (naww)  
But somehow  
I think I'm able to carry on

It's been a long  
a long time coming  
but I know, I know a change is gonna come  
Oooh yes you will

And then I go to my mother  
I said mother could you help me please?  
She said: I'd like to, I really would,  
but I'm just not able  
Then I looked around  
and I was right back down,  
down on my knees

There's been times that I thought  
I wouldn't last for long  
But somehow  
I think I'm able to carry on

It's been a long  
a long time coming  
but I know ... a change gonna come  
Ooooh yes it will...
