

Leela James, Don't Speak

You and me
We used to be together
Everyday together always
I really feel
Like I'm losing my best friend
I can't believe
This could be the end

It looks as though you're letting go
And if it's real
Well I don't want to know

Don't speak
I know what you're saying
So please stop explaining
Don't tell me cause it hurts
Don't speak
I know what you're thinking
I don't need your reasons
Don't tell me cause it hurts

(oohw owh)

Our memories
They can be inviting
Sometimes shining on me
As we die, both you and I
With my head in my hands
I start to cry

Don't speak
I know what you're saying
So please stop explaining
Don't tell me cause it hurts
Don't speak
I know what you're thinking
I don't need your reasons
Don't tell me cause it hurts

It's all ending
Let's stop pretending who we are (2x)

You and me
We used to be together
Everyday together always
I really feel
Like I'm losing my best friend
I can't believe
This could be the end
