

# Leela James, It's Alright

Hmmm, dear... naw,  
To whom it may concern

I guess this is my reward  
For giving him all my love  
With holding nothing yeah  
nothing could quantify  
the feelings I had in side  
Still he took me for granted

Don&#039;t worry about nothing, don&#039;t, don&#039;t worry bout nothing  
It&#039;s all for the good  
It&#039;s better this way  
(To whom it may concern) well  
It&#039;s alright It&#039;s alright  
Coz I tried and I tried  
It&#039;s alright It&#039;s alright  
And I cried and I cried  
It&#039;s alright It&#039;s alright  
But it&#039;s alright now (But it&#039;s alright now)  
It&#039;s alright It&#039;s alright  
(said it&#039;s alright)

I thought he was infallible  
Perfect in every way  
King to to my kingdom  
I put him on a pedestal  
Never thinking he&#039;d hurt me this way  
(How could you hurt me this way?)

Don&#039;t worry about nothing, Don&#039;t, Don&#039;t worry bout nothing  
It&#039;s all for the good  
It&#039;s better this way  
(To whom it may concern)  
It&#039;s alright It&#039;s alright  
Coz I tried and I tried  
It&#039;s alright It&#039;s alright  
And I cried and I cried  
It&#039;s alright It&#039;s alright  
But it&#039;s alright  
It&#039;s alright (But it&#039;s alright now) It&#039;s alright  
(To whom it may concern)  
It&#039;s alright  
Coz I tried and I tried  
And I cried and I cried  
It&#039;s alright It&#039;s alright  
I, Still it&#039;s alright now, yeah  
Don&#039;t worry about nothing, Don&#039;t, Don&#039;t worry bout nothing  
It&#039;s all for the good  
It&#039;s better this way

Boy you know I loved you boy I loved you boy  
And Boy you know you hurt me, you hurt me, you hurt me boy  
But in time, I heal  
And I want you to know, I
