

# Leela James, My Joy

This song right here is to  
dat, dat, dat person  
I wont even mention his name  
he said I wouldnt do nothin without him  
Who are you to tell me that I cant go on without you  
Why you tellin me I&#039;m never gonna survive  
But once upon a time yes I believed that lie (Oh lawd)  
But sorry no way no how you can&#039;t control my mind

&#039;Cause if I thought you were the end all in my be all  
I would&#039;ve never left you alone and I wouldn&#039;t be on my own and I never ne  
no no no aint no way you gone take away  
My joy, my peace, my strength  
no no no ain&#039;t no way you gone take away  
My joy, my peace, my strength

Thank you for the times of all the pain you gave me  
The hate you showed to me taught me how to love myself  
It&#039;s funny how you tried to break down my pride and my spirit  
It doesn&#039;t even matter now &#039;cause I done moved on with my life

Cause if I thought you were the end all in my be all  
I would&#039;ve never left you alone and I wouldn&#039;t be on my own and I never ne  
no no aint no way you gone take away  
My joy, my peace, my strength  
no no no ain&#039;t no way you gone take away  
My joy, my peace, my strength  
No, aint no way

Vamp:

Cause If I thought you were the end all in my be all  
I woulda never left you alone  
and I wouldnt be on my own  
naw I never woulda found faith  
and I never would have loved again  
If I thought you were my.... end all in my.... be all  
I never would have found faith  
(never found faith)  
I never would have loved again  
(never woulda loved again)
