

# Left Alone, Heart Of Mine

All I want is peace of mind  
So in the end I know that you're mine  
In my heart, in my mind  
Inside of me until the end of time

And all the money in the world don't mean a thing  
If you're not mine  
To me you are everything  
Heart of mine

She's in my heart and in my mind  
Every day she is my sunshine  
In my heart, in my mind  
Girl, I want you to be mine

And all the money in the world don't mean a thing  
If you're not mine  
To me you are everything  
Heart of mine
