

# Lefty Frizzel, I Want To Be With You Always

I lose my blues honey when I'm with you  
No one else can do you're in my heart to stay  
But when I'm gone and I'm all alone  
I'll be singing this song I want to be with you always

( piano )

I'd be happy dear if you could only be here and always be near forever and a day  
Then we'll travel far to some big shining star  
Just you and my guitar and stay that sweethearts for always

( fiddle )

I hope you feel the same you really want my name  
Well you'll be the one who's to blame it works out wrong that day  
Cause my love is true my love is only for you  
I'll never be blue if I can be with you always
