

# Lefty Frizzel, I Was Coming Home To You

I just stopped off for a quick one at the tavern just a drink well maybe I had two  
But I swore as I sit down at her table then darling I was coming home to you  
Can't I help it if she was going my way and we talked about old times we used to know  
But I'm sure we had the green light at the corner  
Anyone who saw the wreck will tell you so  
I was only goin' to drop her off at her place  
And then darling I was coming home to you

[ ac.guitar ]

When you came you saw her lying there beside me  
But believe me dear that old romance is through  
And even though you saw her arms around me darling I was coming home to you  
Oh yes darling I was coming home to you
