

Lefty Frizzel, If She Just Helps Me Get Over You

It may not make me tremble the soft touch of her hand
But she won't break my heart the way you do
So I'm gonna try to give her the best love that I can
If she just helps me get over you
If she just picks me up when I get down
If she's there when the mem'ries walk around
Maybe someday I'll love her as much as I've loved you
If she just helps me get over you

(fiddle)

I don't suppose that loving will ever be the same
But she wants me the way I wanted you
So I'm gonna try to give her the best love that I can
If she just helps me get over you
If she just picks me up...
If she just helps me get over you
