

# Lefty Frizzel, She's Gone Gone Gone

She said if I ever deceived her she'd be gone before I could count ten  
I guess that I didn't believe her cause look at the trouble I'm in  
She's gone gone gone gone gone gone crying won't bring her back  
The more that I cry the faster than train flies further on down the track  
( ac.guitar )

I've lost every right to be happy but I lost the heaven I'd found  
She warned me she'd leave and she left me before my first tear hit the ground  
She's gone gone gone...

( ac.guitar )  
If I only knew where to find her I'd crawl there on my hands and knees  
Each tick of the clock's a reminder she's one second further from me  
She's gone gone gone...
