

# Lefty Frizzel, Travelin' Blues

I had a dream last night I thought my good gal had gone  
Well I woke up this morning she really had done me wrong  
I know it's not fair but my good gal has done caught there  
I'm goin' away leavin' today I'm gonna bring my baby back  
If that eight wheel driver don't jump the railroad track  
I take her from that man gonna bring her home if I can

My gal's been triflin' round about a week I know  
Several of my friends just told me so and so  
She's findin' new man and now I can't understand  
So I'm goin' away...

Well it's true my baby's gone I know it won't be long  
We'll both be on that train my baby's coming home again  
She's been triflin' round but now she has turned him down  
Yeah I'm goin' away...
