

# Lefty Frizzel, Why Should I Be Lonely

Oh the moon lights so bright makes me lonely tonight  
Everything seems to make me feel blue here  
I'm down hearted now I'm lonesome somehow cause you are proving untrue  
Why sould I be so lonely why should I be so sad  
Though another is taking from me the best pal that I've ever had  
She's taking the sunshine with her leaving the clouds for me  
But why should I be so lonesome when there's nobody lonesome for me  
( fiddle )  
Oh the violets so blue are calling for roses so sweet make me lonely  
They bring to my mind a sweet happy time when your love was only for me  
But why should I be so lonely...
