

# Legacy Hp, Under-Age And Horny

Timmy's got a girlfriend  
But she's only 15  
Timmy's young girlfriend  
Is the hottest chick he's ever seen

He doesn't know her last name  
But he doesn't really care  
This is who he loves  
And he doesn't want to share

Some will call this wrong  
But some will call it love  
And all those who oppose  
Don't know about true love

Well Jack is now a junior  
And she's still in 8th grade  
And all that Kelly cares about  
Is that he's gettin' laid

Some will call this wrong  
But some will call this love  
And all those who oppose  
Don't know about true love

Some will call this wrong  
But some will call this love  
And all those who oppose  
Don't know about true love

When she said she was 21  
This was sure to fail  
Now Timmy has a social life  
Talking while in jail
